

Visiting Small TALK Speech Therapy

This is the clinic in Mayfield.

It's on a busy road so I need to
hold hands to cross.

We will knock and
wait for someone to
buzz us in.

Then we can push
the door open.

We will go inside and sit in the waiting room.

I can read some books while I wait.

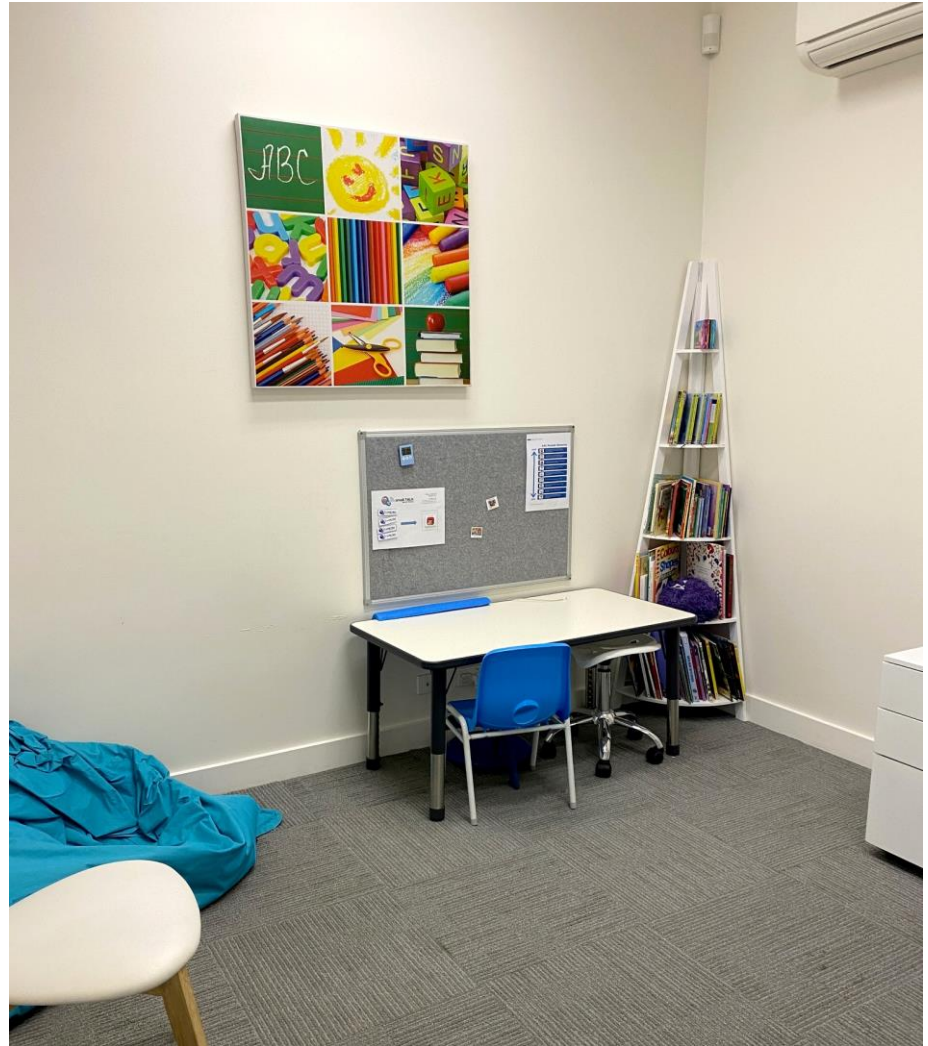

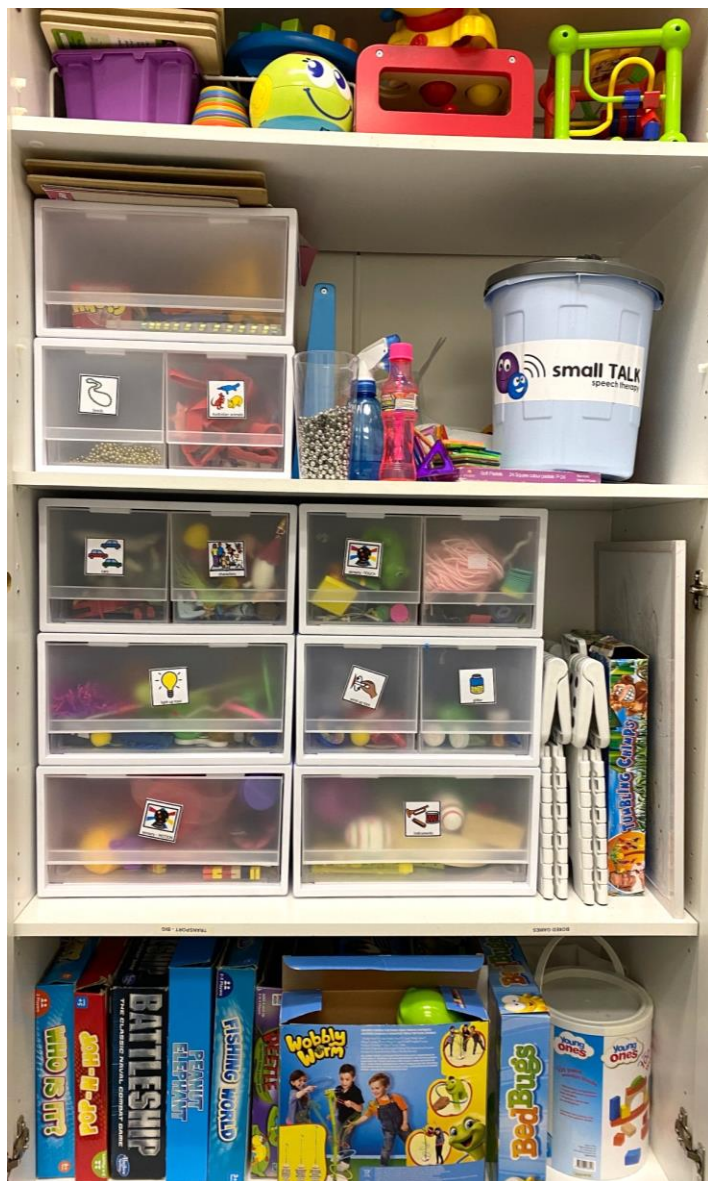

My speech therapist will come out into the waiting room and say 'Hello'.

hello

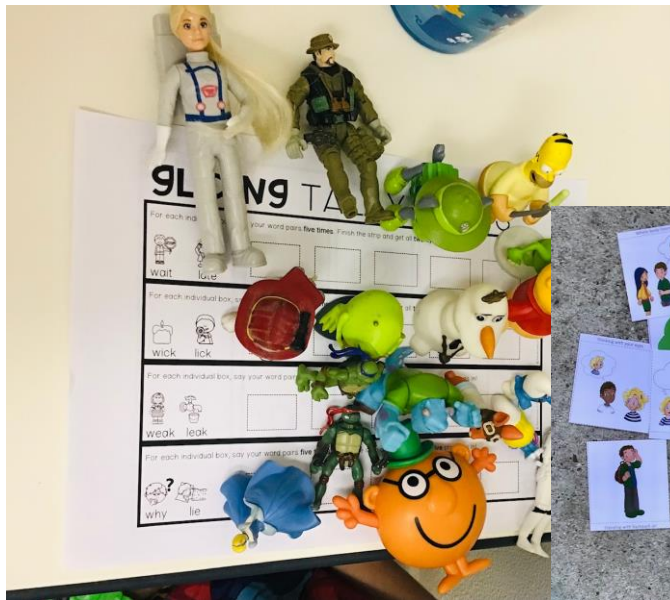

My speech therapist
will take us into her
room.

At speech therapy
there will be toys and
games to play with.

I will learn lots of new things

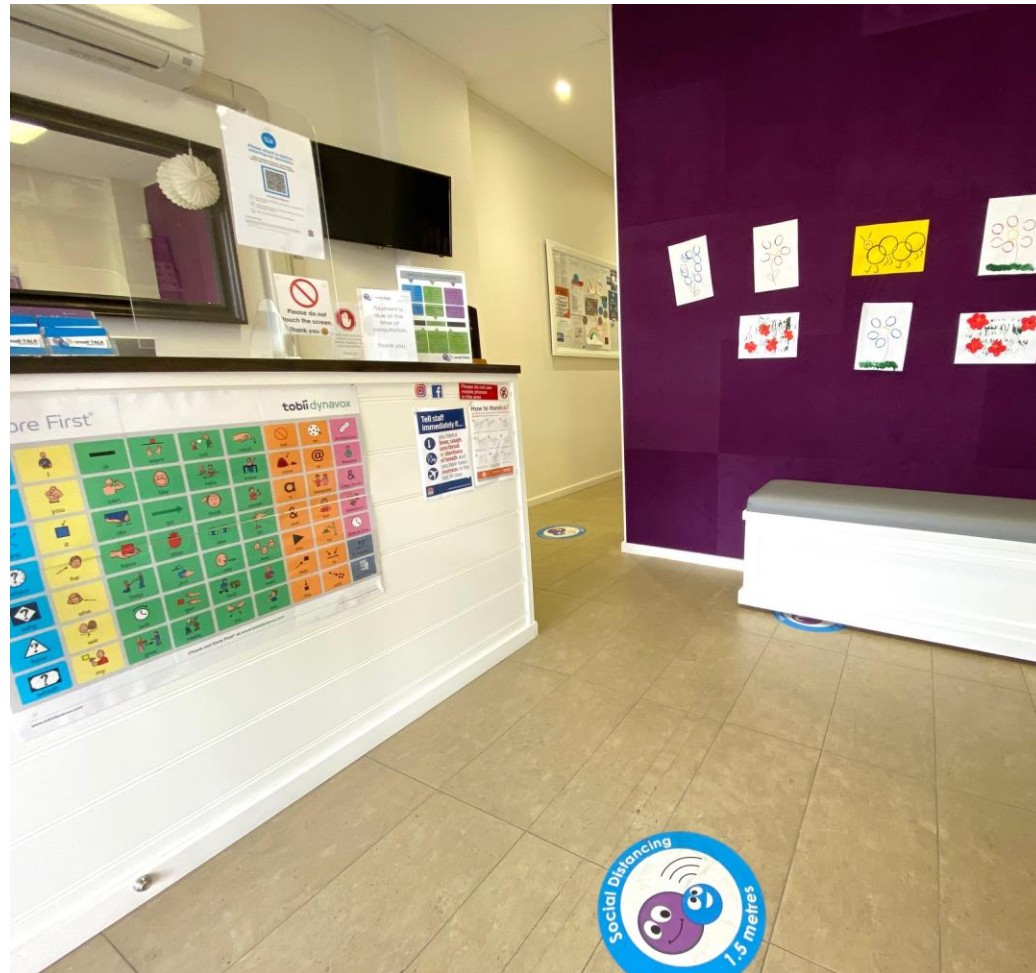

Speech therapy is fun!

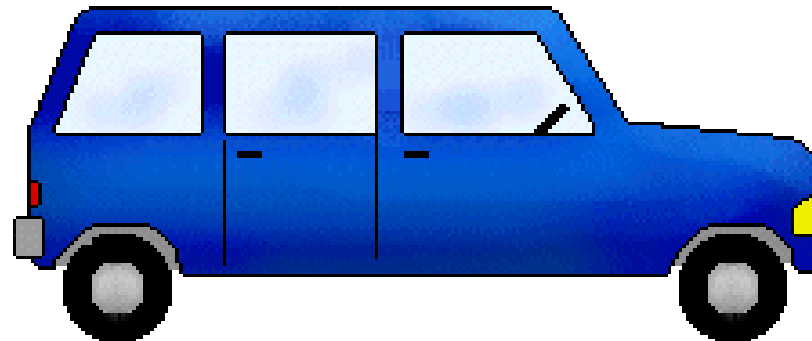

When we finish,
we will go back
to the waiting
room.

I will wait near the desk until it's time to go

Then we will go to the car.

I might come back to speech therapy
another day

See you next
time!
